Dear Mr. Noble:

Re: SAIC Request for Advisory Opinion of 11-17-94

Michael Marinelli of your staff requested additional information necessary to complete the Commission's consideration of our request for an advisory opinion.

As of February 1, 1995, there were 10,626 direct shareholders of record of SAIC. Also, in our prior submissions, we stated that there were approximately 15,300 direct and indirect SAIC shareholders. When we submitted information about our CODA plan, we listed 16,522 participants, the vast majority of which own shares. The first number (15,300) refers to current employees who hold stock directly or indirectly. The second number (16,522) refers to all participants in CODA, including retired or former employees.

I hope this information meets your needs. Please call me with any questions (703-556-7236).

Sincerely,

Susan M. Frank
Corporate Counsel
